

YOUR EXCUSE TO  
AVOID COLONOSCOPY...

"I'M HEALTHY...  
WHY GET SCREENED??!"

ACCORDING TO EXPERTS FROM THE AMERICAN  
COLLEGE OF GASTROENTEROLOGY, COLORECTAL  
CANCER SCREENING IS FOR HEALTHY PEOPLE! IF  
WE FIND A POLYP, WE REMOVE IT AND PREVENT  
IT FROM BECOMING COLORECTAL CANCER.

PHYSICIANS from the AMERICAN COLLEGE OF GASTROENTEROLOGY

**RECOMMEND COLONOSCOPY**

as the **PREFERRED COLORECTAL CANCER PREVENTION TEST**
